## Variazioni Variations

- Per un corretto utilizzo i divani devono essere completati con i cuscini di schienale.
- Le imbottiture in piuma conferiranno al divano un aspetto più destrutturato e vissuto, le forme dei cuscini diverranno quindi più morbide.
- For a correct use, the sofas must be completed with back cushions.
- The feather padding will give the sofa a more unstructured and worn look, the shapes of the cushions will therefore become softer.
